## PROFESSIONAL EXPERIENCE

- 1999 - **Director**, Pennsylvania Office of Rural Health and **Outreach Associate Professor of Health Policy and Administration**, University Park, PA  
Present  
Oversee the strategic development and implementation of the federally designated state office of rural health for Pennsylvania. Responsible for the overall direction and leadership of the state office, including ensuring the office meets its mission of being a source of networking, coordination, and technical assistance to organizations focused on rural healthcare delivery; developing and sustaining linkages with state and national partners; and seeking ways to expand the office's role in enhancing the health status of rural Pennsylvanians. Develop new initiatives, interact with federal and state agencies and funding sources, oversee an annual budget of at least \$1M, and serve on state and national committees and task forces.
- 1997 - **Research and Program Development Specialist**, Department of Health Policy and Administration, The Pennsylvania State University, University Park, PA  
2000  
Direct the department's outreach activities, facilitating the department's mission of outreach and service to the community and the Commonwealth of Pennsylvania. Develop, coordinate, and implement continuing education and professional development programs for health care professionals. Develop grant proposals focusing on aging, education, and rural health. Act as liaison with state organizations and support department alumni activities.
- 1994 - **Coordinator**, The Pennsylvania Office of Rural Health, University Park, PA  
1997  
Acted as the Assistant Director of the state office of rural health. Remained current on state and federal health care policy issues, maintained an effective relationship with state departments, provided information and technical assistance to health care agencies, and served on committees addressing rural health concerns. Special areas of interest included public health, breast cancer, domestic violence, the elderly, nutrition, immunization, food safety, and consumer education. Co-authored grant proposals addressing a variety of health-related issues and co-directed the activities of funded proposals. Supervised budget and personnel issues.
- 1992 - **Graduate Assistant**, Department of Health Policy and Administration  
1994  
The Pennsylvania State University, University Park, PA  
Assisted in the coordination and management of wide range of department-related projects. Major projects included assisting in the undergraduate program review and application for re-accreditation, proposal preparation for funding a summer course, compiling the department's newsletter, and coordinating the physical expansion of the department.
- 1993 **Graduate Student Intern**, The Centre County Prison, Bellefonte, PA  
Worked closely with the prison administration and the medical staff during this internship period. Participated in all medically-related activities including inmate intake examinations and emergency situations and assisted in the daily operation of the medical unit. Completed several projects including a comprehensive review and analysis of inmate medical records, a directory of county-wide human services available to the inmate population, and a nutrition program for individuals undergoing recovery from drug and alcohol addiction.

- 1992 - **Project Coordinator**, Department of Health Policy and Administration  
1994 The Pennsylvania State University, University Park, PA  
Assisted in the coordination and management of a two-year, \$350,000 federally-funded research project designed to test the effectiveness of staff training within nursing home settings. Worked as a member of two data collection teams and analyzed and interpreted data.
- 1988 - **Research Coordinator**, Department of Meteorology  
1991 The Pennsylvania State University, University Park, PA  
Coordinated and managed the progress of government funded scientific research and assisted in developing and implementing international meteorological projects. Assisted in writing proposals, maintaining research budgets totaling \$500,000 per year, and developing timelines to ensure that all tasks, both national and international, were completed on time. Responsible for charting the progress of seven doctoral students and post-doctoral fellows.
- 1986 - **Job Search Coordinator**  
1988 Private Industry Council of Centre County, Bellefonte, PA  
Planned and implemented PICCC's Job Search program which focused on providing the disadvantaged unemployed with the skills needed to obtain work. Activities included recruiting clients, training and motivating clients through monthly workshops, maintaining an up-to-date curriculum, and providing individual counseling and referrals to other agencies and programs when appropriate. Responsible for complying with budget and program guidelines. Established two tracking systems to ensure client contact and follow-up. Revived and expanded out-reach programs targeted to two special populations: the handicapped and prison inmates. Under my direction, the Job Search Workshop had a 70% success rate.
- 1986 **Job Search Coordinator**  
Strawberry Fields, Inc., State College, PA  
Developed and implemented a Job Search Workshop for mental health clients. Activities included performing extensive research to determine an appropriate program curriculum, providing individual counseling and group training sessions which focused on determining skills and seeking realistic jobs, and coordinating services with staff and other agencies. Provided post-employment counseling. Achieved a 50% employment rate.
- 1985 - **Program Manager**, Community Residential Rehabilitation Program,  
1986 Strawberry Fields, Inc., State College, PA  
Supervised employees and monitored the daily CRR operations for mentally handicapped clients. Duties included training and evaluating employees, supervising client treatment plans, providing crisis intervention, and using creative problem solving techniques. Provided extensive coordination of services with local agencies.
- 1984 - **Residential Program Worker**, Community Residential Rehabilitation Program,  
1985 Strawberry Fields, Inc., State College, PA  
Designed and implemented treatment plans for mental health clients, monitored client progress and ensured daily program maintenance. This included teaching basic skills such as personal hygiene and money management, providing crisis intervention, coordination, and determining an appropriate treatment planning process. Promoted to Program Manager after one year.

## EDUCATION

- 1994            Master of Health Administration (MHA)  
Department of Health Policy and Administration  
The Pennsylvania State University, University Park, PA
- 1983            B.A.: Sociology/Psychology  
Clarion University of Pennsylvania, Clarion, PA
